COMPUTER EQUIPMENT, SOFTWARE, PERIPHERALS AND RELATED SERVICES

This document represents an overview of the Western States Contracting Alliance Computer Equipment, Software, Peripherals and Related Services contract. This document is not intended to replace or append the contract, rather to provide an overview and summary of the agreement.

1.0 BACKGROUND

The State of Montana is a member of the Western States Contracting Alliance (WSCA), which establishes the means by which participating states may join together in cooperative multi-state contracting in order to achieve cost-effective and efficient acquisition of quality products and services. This contract is a result of a cooperative procurement conducted by the State of Minnesota on behalf of WSCA.

1.1 PURPOSE

The purpose of this contract is to provide state agencies, and all registered cooperative-purchasing organizations, (herein after referred to as agencies) with an expedited means of obtaining Computer Equipment, Software, Peripherals and Related Services, as specified in the attached participating addendum.

1.2 NON-EXCLUSIVE CONTRACT

This contract is for the convenience of state agencies and is considered by the State Procurement Bureau to be a “non-exclusive” use contract. Therefore, agencies may obtain this product/service from sources other than the contract holder(s) as long as they comply with Title 18, MCA, and their delegation agreement and applicable state standards and policies. Agencies may not purchase from this contract where there exists an exclusive contract for any of these products or services. Laser printers specified in Band #3, are not available to any agency.

PARTICIPATING ADDENDUM

COMPUTER EQUIPMENT, SOFTWARE, PERIPHERALS AND RELATED SERVICES

MASTER PRICE AGREEMENT
IBM CORPORATION
CONTRACT NUMBER A63311

STATE OF MONTANA

1. Scope:

All governmental entities within the State of Montana, excluding the Montana University System, and all registered Cooperative Purchasing Organizations are authorized to purchase products and services under the terms and conditions of the referenced Master Price Agreement. Allowable products are defined in Section 14 of the Master Price Agreement as Band 1, 2, and 4, allowable Services, as defined below, and LAN equipment and related software as defined below.

Entities are subject to all applicable State standards, policies, and procurement law before any purchase from this contract. This includes the IT Procurement Act. Entities may not purchase from this contract where there exists an exclusive contract for any of these products or services.

2. Changes:

Since the Master Price Agreement definition for Services includes some items for which the State has an existing policy/standard, such as Disaster Recovery, the definition is hereby changed as follows:

"Services" are broadly classed as installation/de-installation, maintenance, support, training, migration, and optimization of products offered or supplied under the Master Price Agreement. These types of services may include, but are not limited to: warranty services, maintenance, installation, de-installation, factory integration (software or equipment components), asset management, recycling/disposal, training and certification, pre-implementation design, service desk/helpdesk, and any other directly related technical support service required for the effective operation of a product offered or supplied. *General consulting and all forms of application development and programming services are excluded.* The Contractor(s) shall provide the warranty service for equipment on the Master Price Agreement as well as a Takeback Program.

Other Changes:

Section 20, add the following: Access and Retention of Records. Contractor agrees to provide the Department, the Legislative Auditor or their authorized agents access to any records necessary to determine contract compliance. Contractor agrees to create and retain all records supporting the products and services rendered for a period of three (3) years after either the completion date of this contract or the conclusion of any claim, litigation or exception relating to this contract taken by the State of Montana or a third party. Reference: 18-1-118, MCA.

COMPUTER EQUIPMENT, SOFTWARE, PERIPHERALS AND RELATED SERVICES

Section 32, delete and replace with the following: Venue. This Participating Addendum shall be governed by the laws of the State of Montana. Venue for any action will be in the First District Court of the County of Lewis and Clark County, Helena, Montana. Parties to pay own legal fees and associated costs.

Section 44, add the following, Reporting and Fees. Contractor shall provide the State of Montana utilization reports for its purchasing activity during same dates listed within this section. These reports shall be provided in the same format to Primary Contact listed in this PA.

Section 58, add the following: Compliance with State Plans. The contractor is notified that pursuant to 2-17-514, MCA, the Department of Administration retains the right to cancel or modify any contract, project or activity that is not in compliance with the Agency's Plan for Information Technology, the State Strategic Plan for Information Technology, or any statewide IT policy or standard.

Section 59, add the following: Compliance with Workers' Compensation Act. The Contractor is required to supply the State of Montana, State Procurement Bureau with proof of compliance with the Montana Workers' Compensation Act while performing work for the State of Montana. (Mont. Code Ann. §§ 39-71-120, 39-71-401, and 39-71-405.) Neither the Contractor nor its employees are employees of the State. The proof of insurance/exemption must be in the form of workers' compensation insurance, an independent contractor exemption, or documentation of corporate officer status and must be received by the State Procurement Bureau, P.O. Box 200135, Helena, MT 59620-0135, within 10 working days of the Request for Documents Notice and must be kept current for the entire term of the contract.

Section 60, add the following: Purchasing Card. The State of Montana has a Purchasing Card Program in place that gives agencies the ability to charge purchases made from these contracts. The State of Montana prefers this method of payment.

Section 61, add the following: Termination for Convenience. The State of Montana may terminate this Participating Addendum and/or any active projects in whole or in part. Contractor shall be entitled to sums due as compensation for accepted work and deliverables provided in conformance with the contract.
